

Plaisir d'Amour

by Martini, arrange by j.Chalmers Doane

Tempo - start around 72 or as slowly as you need to practice and achieve error free playing.

This is a Waltz - played lightly on the chords, with precise but as sustained picking as you can.

We will all start with Uke I, which you will see is the middle-line of the score. Watch out for Measure 6, the first complete Measure.

After you've mastered, Uke I, here are the assignments:

Uke 1: Judy, Sydney, Pommie
Uke II: Evelyn, Patrish, Brian
Uke III: Kathy, Wendy, Katrina
Chords: Marc, Helen

Vocals - long after we've mastered 'ensemble', folks can take turns singing the verses as solos if they wish.
