

## Crabwalk 1 and 2

Place and pluck individual notes, starting with the A string, working up the neck and then across the strings. Use all 4 fingers!

Finger exercises – a little stretch

Play the notes one at a time, skipping a fret as indicated. Then work across the neck.

Pinkie exercise with F chords. Keep your F chord in place, then add the pinkie on the 3<sup>rd</sup> fret, first on the A string, then E, the C strings
