## **UBC Practice Sheet Song**

| C  | Am        | F            | <b>G7</b>          |         |    |
|--|-----------|--------------|--------------------|---------|----|
| Here are some chords for us to play So we can make our fingers move        |           |              |                    |         |    |
| C  | Cdim      | Dm7          | <b>G7</b>          |         |    |
| And form the pleasing sounds we need To help us play the songs we love.    |           |              |                    |         |    |
| С  | <b>C7</b> | F            | Fı                 | m6      | 輯  |
| We'll add more chords to help us make The sounds that add va -ri -ety.     |           |              |                    |         |    |
| C  | A7        | D7           | <b>G7</b>          |         |    |
| They'll also help us learn to play The chords in every other key.          |           |              |                    |         |    |
| E <b>7</b>   | Am        | D7           | G7                 |         |    |
| And then we'll find be -fore we know That if we practice hard and long,    |           |              |                    |         |    |
| C  | Am        | F            | <b>G7 C</b> (1. G7 | 7, top] | A7 |
| This was all designed to help us learn And didn't take very long 2. Oh no, |           |              |                    |         |    |
| D7   | G7 C (Gı  | m7-Abm7-Am7) |                    |         |    |
| It didn't take very long.  |           |              |                    |         |    |
